High School Students

College or University Students who have found this project on RTC's SDGs Point Labo News

College or University Students

1. Registration at "SDGs Point Labo" Website

<https://l-tanq.roundtable.jp/ad/afpwaa-workshop/>

If you have email address issued by educational institutions, after registration, go to step 2 after registration.

If you do not have email address issued by educational institutions,

after registration, mail@roundtable.jp will be issued, with which go to step 2.

2. Registration at "AFP WAA" Website for ID Registration

AFP WAA ID registration should be done with email address issued by either educational institutions or SDGs Point Labo. Please note that any other email address cannot be permitted.

3. Submit your work at Competition Entry Website

Click the check box "SDGs Point Labo (RTC)".
